PROFILE

I am a professional web developer looking for my first experience in database administration and website design. Strong creative and analytical skills. I'm constant updating myself on IT technologies, I don't stop in my study way

EXPERIENCE

APPLICATIONS DEVELOPER

Teslo Shop

December 2023

- This project was created in newest NextJS version (14), this is a full stack project simulating the real Tesla Shop, using some tools like TailwindCSS, the new NextJS App Router, server actions, Prisma, PostgreSQL, Zustand, etc.

Ecommerce

November 2023

- This project is a Frontend project, simulating a real ecommerce using tools like Redux, React Router Dom, Axios and more.

Pokedex

November 2023

- Frontend project with let me learn about CSS animations, API consumption, pagination, darkmode and more good things to get an awesome SPA.
